CAPE OF GOOD HOPE

SKELMBOSWYNE

**Mafiosa Syrah:** the ultimate boss of Rhone varietals. This full-bodied wine demands respect with its dark fruit flavors, spicy undertones and smooth tannins. Like a powerful Godfather, it commands attention and rewards loyalty. Savor the complexity, and let the Mafiosa Syrah take care of the rest."

This Syrah is wine in its most natural form, unfiltered and unfined. Bottled straight from 300L French oak barrels. Natural sediment may occur - a small price to pay for true artisanal wine.

*"We made you an offer you can't refuse - enjoy it!"*
